# Pentecost Sunday

## Communion Reflection

### A new language....

On Pentecost day the apostles spoke a new language.

What was the new language?

It was the language of peace rather than of war; the language of cooperation rather than of competition; the language of forgiveness rather than of vengeance; the language of hope rather than of despair; the language of tolerance rather than of bigotry; the language of friendship rather than hostility; the language of unity rather than of division; the language of love rather than of hate.

Through the gift of the Spirit, people of different languages learned to profess one faith, to the praise and glory of God.

That is the real miracle of Pentecost, and it is a miracle which, thankfully, still happens.
